SOUNDINGS.

The Annie P. Silver, of the Anchor-line,

leaves to-morrow evening for New Orleans.

The Marlin Speed, Captain Ed Nowland, leaves Saturday for all points on Arkansas

Captain Dennie O'Neil and family ar

The Coshoma, Captain Henry Cooper, will leave this evening at 5 o'clock for Osceola and the upper bends. Wm. Smither and John Haley are her clerks.

The Josie Harry, Captain Milt R. Harry will leave to morrow evening at 5 o'clock on her first trip of the season, for all points on White river, going through to Jacksonport.

Mr. Dean Adams, son of Major John D.

Adams, and for whom the steamer Dean

bare. She returned again last evening.

Thanks to Wharfmaster Kallaber's influ

ence, which seems to be a power in the land —even beyond the storied mightiness of the

pen over the sword-those weeds along the plankwalks to the river have been cut down,

and hereafter laziness will have to seek hid-ing-places elsewhere.

The "boys" on the City of Vicksburg mus-

Cairo, which was ten feet long and four feet high. Captain Riley says he also saw the

snake, but gives the dimensions as ten feet high and four feet long. When they want

caulkers at work on the old sunken ferry dock pulled over there recently. They have

to become another unsightly obstruction. I seems to a man up a tree that the Ferr

sire for the appointment of Captain G

chance for the distinguished position is g, heartily indorses.

densive itimber-mills are shut down, and every effort is being made to prevent serious damage. A special to the Pioneer-Press says a portion of the upper bridge embankment has been washed away, and the structure is in danger, and one abutment of the lower bridge is also gone. One of the large mills is undermined, and is expected to fall. At Stevens's Point, on the Wisconsin, the water is within a few inches of the highest war.

is within a few inches of the highest ever known. A large number of men are working

on the levee, which it is feared will break away and flood the city, as the water is still rising. A special from Eau Claire says the Chippewa and Eau Claire rivers register 18

Chippewa and East Claire rivers register 18 feet above. Some parts of the city are inundated, and travel is interrupted. Both bridges are wrecked, and considerable damage has been done at the large mills, none of which are running on account of the high water. It is reported that several dams have

been washed out on the upper Chippewa. A

portion of the dam in the North Fork wa washed out, but all the logs that have cs

The operations of the New York Cotton Exchange are watched with eager interest, and as the news received each hour of the day is favorable or otherwise there is a corresponding feeling manifested among dealers here. They may have not yet discovered it, but the warning of the New York Commercial Bulletin of Tuesday is that there is apparent a movement looking to an effort to give Ostober a "squeeze" of a more successful character than the attempt on the past month. Yesterday's telegrams indicate that this there is apparent as the past month. Yesterday's telegrams indicate that this this telegrams indicate that this this telegrams indicate that this telegrams indicate the triangle of the dealer.

turned it bottom upward, and are stopping the cracks in the bottom so she'll float again when she is righted back. The crazy concern will probably be placed at the wharf again VACCARO company ought by this time be able to place a decent-looking dock at this wharf. The iligence of the Wharfmaster seems to be a ttle off in allowing such traps to encumber WINES, LIQUORS AND CIGARS along the Ohio and Mississippi and their tributaries are almost unanimous in their

Wash Thompson as Supervising Inspector-General, and they are supported in this de-sire by many business men and shippers. The fact that this high office has not yet been filled by a Western man is a strong point in favor of Captain Thompson, and one that the present Administration will consider, as well as the qualifications of our Western candidate," The above, from the Cincinnati Gazette, is but the echo of sentiment everywhere expressed, in which the APPEAL man, after anding out that his own No. 294 Front street, - - Memphis, Tenn

A St. Paul dispatch of the 4th, which, by ome hook or crook, did not reach these parts, says: "There is a continued rise in all the rivers in this vicinity, owing to heavy rains. At the Government gauge here the water is 10 feet 10 inches above, water is 10 feet 10 inches above, and has risen 8 inches in the past twentyour hours. The Chippewa, at Eau Claire, is 17 feet above low-water mark. The ex-tensive lumber-mills are shut down, and
